Annual Pricing Structure

We are delighted to be able to offer substantial reductions in the first year of operation of the Professional Learning Programme (PLP). Details of what is included in the PLP can be found on “The PLP offer” page. If a school wishes to join the programme mid-year (i.e. not September), they would get full access to previous training materials and Q&A sessions.

Invoicing and contracting arrangements:

On receipt of a valid purchase order or confirmation of transaction, Challenging Education will issue an invoice for the full annual fee and the licence(s) required for the school(s) to access the Professional Learning Programme and all of its features (see “The PLP offer”).

Challenging Education will also require headteachers (or authorized personnel) to sign and return the Licence Agreement which commits the school(s) to adhere to the terms of the licence and to respect Challenging Education’s intellectual property. Challenging Education reserves the right to terminate or suspend access to the PLP should the terms of the licence be breached.
